Dr. Robert “Bobby” Agee joined Lemak Sports Medicine in the spring of 2008.

Dr. Agee is a Primary Care Sports Medicine Physician, who specializes in the diagnoses and treatment of injuries that don’t require surgical intervention.

Education

Dr. Agee is a 1990 graduate of Morehouse College in Atlanta, Georgia, where he earned his Bachelors of Science Degree. He went on to Meharry Medical College in Nashville, Tennessee where he received his Doctorate of Medicine in 1995, and trained in his residency at the University of California San Francisco in Fresno, California. Dr. Agee completed his subspecialty training at the American Sports Medicine Institute in Birmingham, Alabama in the summer of 2000.

Sports Medicine

Dr. Agee has been very involved in the care of athletes throughout his career. Including being a team physician for University of California – Berkley, he has been an Assistant Medical Director for NFL Europe, and Chief of Primary Care Sports Medicine for Kaiser Permanente, the largest private insurance provider and hospital network in the State of California.

Dr. Agee is currently the team physician for Alabama State University and Samford University. In addition, he also covers Thompson High School and Carver Highschool.

Civic Involvement

Dr. Agee has made presentations to National Medical Association, the Congressional Forum on Minorities and Sport (2004), and the NFL Physicians Society.

In addition, while in San Francisco, Dr. Agee was a Member of the Board of Directors of the Midnight Basketball League.

Personal

Dr. Agee and his wife, Jarralynne, are the proud parents of two young men. In his spare time, Dr. Agee enjoys travelling, golfing, and attending sporting events.
